Money and do Permanent Work.

The people in all parts of the city Consisting of Foreign and health of the place is involved,

erage system is what is heard from everyone, and a great many go so everyone, and a great many go so Martin O'Meara and Nick Flood, far as to emphatically assert that the two men who fought in Lynch-Ginghams, Satines, Challies, Bleached and Unbleached the requisite amount of funds if they have not got it in the treasury.

In speaking of the matter to a Times reporter yesterday, a promi-

tention sanitarily? Why, most assuredly. But here is the trouble. Roanoke has been pegging away so long in this matter and accomplishing so little, that it is time to put down some sort of permaneut improvement of this description. This will cost money, and they say they can't afford it. What's to be done? It strikes me that it could readily be borrowed, but they don't seem to be taking any steps in that direction, and, for all I know, that may be impracticable. I don't know as much about the municipal government as those in charge; but I do know that the city is sadly in need of additional drainage, and that it is one of the most important considerations before our people."

Denth of a Popular Young Man.

Description a period of that it is one of the most important considerations before our people."

Denth of a Popular Young Man.

at any Price

Another gentleman said: "There is a law, I am told, in the city ordinances, forbidding parties to allow waste water to run into a street when it accumulates there and is liable to become unhealthy. Now, if waste water runs from a yard to the street and accumulates, rain water will necessarily run there also. It strikes me that, however obedient one is to that law, he will have to prove that the mud-hole is composed or rainwater, or get fined. And the rainwater or runsyards

The injured are Engineer mond railroad yard, hip cut; Joseph Hargraves, ankle slightly hurt.

General Fremont Dead

General John C. Fremont, who died in New York yesterday, had an event-ful career. The son of a French im-migrant, he was born in Savannah, Ga., in 1813, and received a collegiate education. Appointed to a lieuten-ancy in the United States corps of engineers, he penetrated the Rocky Mountains at two points, and won the title of "the pathfinder." He also de-fined much of the geography between the Rocky Mountains and the Pacific Coast, and bore a conspicuous part in the conquest of Upper California. He represented California in the United States Senate from 1849 to 1851. The first candidate of the re-publican party, he was defeated for President in 1856 by James Buchanan General Fremont served as a major-

The train left here for Richmond at tively funny that Senator Quay jured, some of them fatelly. should be beaten in a game where boodle figures.—Baltimore Sun.

The Baltimore and Ohio Land Com pany, of Salem,

Offer 1,300 building lots for \$15 each. Weekly payments of \$1.50. The Baltimore and Ohio Land Company, of Salem, Va., owning 227 acres of land within half a mile of Salem, Va., admirably located for building lots, have determined to offer 1.300 lots for sale at \$150 each, including corner lots, in the following manner: Lot clubs of 100 members each will be formed. Each member thereof paying \$1.50 per week or \$6 per month until \$150 is paid. Each member will draw for a lot at the regular weekly drawing, and one lot will be drawn every week until 100 lots are drawn. The two members drawing

the last two lots will get two lots each instead of one. The one drawing a lot can at any time pay up on his lot and get a deed to it, as the company own their land in fee simple; or he can pay one-third cash, balance in one and two years, and the company will allow such purchaser 10 per cent. discount given on

nis purchase. ing his lot cost \$112.50.
Several clubs will be organized in

this city, so that a member can join one or more clubs, and draw in each club weekly by the payment of one dollar and (\$1.50) fifty cents in each club. No interest is charged on these payments whatever.

The land has been surveyed, laid out in streets and the lots numbered

The laid lies partially in the rear of the Roanoke College, and half a mile from the center of the town. Water mains run through the land, side-walks are also contemplated, and pleasant homes, close to business, could be erected at small cost, either as a home for the owner or to rent out, as houses are in great demand in

As a safe investment this is beyond precedent, and enables one of small means to secure property constantly on the increase in value.

Remember, one lot is drawn by some one each week. Then you can united States and consul general United States at Guatemala. pay up on your lot after you have drawn, by paying one-third cash, balance in one and two years, or as a
